Just hear what some current and past volunteers have said about their experience.

"Volunteering with the Portland Core Team has been one of the most enlightening experiences of my life. Each of us is striving to learn and live NVC - and our ORNCC community gave me a safe, consistent, and harmonious space where I could learn, grow, make mistakes, and develop my NVC skills a little every single day!"
- Tiffany Meyer, Portland Core Team

"Watching NVC at work in my life and on my job has felt like I'm taking part in a miracle as it happens"
- Karen M Campbell, Salem Regional Team Coordinator & ORNCC Board Member

"Working to help spread NVC locally has given me a real sense of fulfillment. I feel jazzed about making a difference in the world. Over the past few years, I've learned more about how to use compassionate language than I would have without the creative connection with other NVC volunteers. Please join us while we learn, have fun together, and share NVC with others."
- Lisa-Marie DiVincent, ORNCC Board of Directors
